2022 - Developer Full Stack
2022 Finalized

EESO N°316
2011 - Bachelor in economics
2016 Finalized

<KNOWLEDGE>

PROGRAMMING LANGUAGES

<ABOUT>

Recently graduated from Henry intensive bootcamp where I learned JavaScript, React, Redux, Typescript, Node, Express, Sequelize, Postgress, MongoDB. I am able to leverage my knowledge in these areas to offer a comprehensive and professional solution to the market. I enjoy learning new things and working in a team, I can also play different roles. I am a very proactive person who loves efficiency and effectiveness.
